Saint Gregory of Nyssa
Vestry Minutes
4/14/16
Present: Paul Fromberg, Mark Pritchard, Amy Baker, Francie Kendall, Bridget Monahan, Jen Blecha

Mark calls meeting to order.

Sing Troparion.

Minutes from March not presented (Greg not here) and not approved.

Onboarding. Paul explains ACC (Anglican Consultative Council)

Approve tonight's agenda. (Paul moved, Jen seconded, unanimous.)

Amy: Finance Report

Compared with last year, fewer donors but more money. This is worrisome, as it is a more fragile funding source. What's the relationship between this pattern and OVS?

Continue the "ABCs of SGN Budget" for Vestry members. Amy explained various budget categories and accounts.

Fundraising: Leesy uses four categories: Newcomers, Peripheral/Flirting, Engaged, and Stagnant. We need to have tiered conversations geared toward each group. It would be fruitful for us to focus on the Peripheral/Flirting folks. In conversation, find out

- What do you like, what brought you to SGN?
- What do you want to do/find/connect with? And help them.

Jen: Sacred Space

Submitted application for SFPUC "Urban Watershed Stewardship Grant" on 3/18. Thanks to all who helped with letters of support, budget consultation, etc. (Paul, Amy, Bishop's Office.)

Kjohl and Libby have been coming in to work on the front landscape.

Supergreen energy option was approved last month. Have not switched yet.

Gutter cleaning approved. Have not scheduled yet.

Mark:

There's been lots of organizing re: the 540 building and "Save the Light"

We are scheduling Open Houses so neighbors and visitors can stop in. Need folks to sign up to hold those.

The children of one of the Dancing Saints are going to write a letter of support. (which one?)
